VEHICLE PACKING CERTIFICATE (Box 10)

It is certified that:

1. The vehicle was clean, dry and apparently fit to receive/carry goods
2. No incompatible goods have been packed into the vehicle unless specially authorised by the Competent Authority
3. All cylinders have been externally inspected for damage and only sound packages packed;
4. All cylinders have been properly packed and secured in the vehicle;
5. All full cylinders must have an in-date test certificate

THE SHIPPER'S DECLARATION (Box 11) covers the following regulations

The International Maritime Dangerous Goods Code (IMDG Code), as revised or re-issued from time to time by the International Maritime Organisation (IMO)

If signing the document, the shipper is confirming that in accordance with the applicable Regulations;

- i) The dangerous goods as presented may be carried;
- ii) The dangerous goods and any packaging, intermediate bulk container or tank in which they are contained are in a fit condition for carriage and are properly labelled; and
- iii) Where several packaged are packed together in an overpack or in a single container, that this mixed packaging is not prohibited.

This document must be forwarded to NorthLink Ferries a minimum of 24 hours prior to departure, and must also be handed in at our check-in office upon arrival
